Exa ADSL Internet Connection

Exa's broadband services are often the most appropriate solution for schools. Offering great value, a wide selection of internet speeds and inclusive content filtering. We work in partnership with Exa to offer their services to schools as a standalone product or coupled with our amazing technical support.

Features of Exa's Broadband

With every Exa broadband connection you get download speeds of up to 10Mbps and upload speeds of up to 2.5Mbps. All Exa connections come supplied with Surfprotect™ which filters all incoming and outgoing connections to the internet transparently meaning no software to install. Surfprotect™ ensures that the content delivered is suitable for students and staff members too. It can be extensively customised with an easy to use control panel capable of implementing flexible filtering policies.

Exa Pricing

£1900 (per annum)* for Exa filtered 10Mbps internet connection
£1750 (per annum)* when bought with our curriculum technical support.

*does not include ADSL router (E225) or BT line rental.

School Backups

Remote offsite backup service for schools wishing to protect themselves against data loss. We use military grade encryption to transfer data from your server to ours, where it is stored securely for 24/7 access whenever you need it.

Encrypted Data, Peace of mind

We provide daily backups of user files and weekly backups of server state, allowing 24-hour restoration of files. We backup old versions of files so if you accidentally save over a file we can quickly restore it with no hassle. Deleted files are stored for a number of weeks and we send an email to confirm which files were deleted.

Remote Backup Pricing

£300 (per annum) for Curriculum Server: up to 250Gb of data (£1 per Gb thereafter).
£200 (per annum) SIMS server: up to 100Gb of data (£1 per Gb thereafter).

Primary Email

Email hosting for schools using Microsoft™ Exchange 2007. Provided with a high-quality Service Level Agreement, email filtering and a web 2.0 control panel for easy service management.

Feature Rich
